Three Points that should Interest the Trade!

We want to make some changes in our business next January which will necessitate our cutting down our Stock wonderfully between now and then.

We mean to reduce our Clothing stock at all hazards. The stock is large it has been bought close, and we have bought it at prices that should make it move rapidly. Fresh, new Clothing in abundance. The correct styles. Bound to please you. Our table of Suits at \$5.00 are Suits that are worth \$5.00 of any man's money. A table of \$7.50 Suits that will interest any man who know was principal of the Pendleton Graded the value of his money. A table of \$10.00 Suits culled from our stock of \$12.50 to \$18.00 Suits. Pants, Overalls Overcoats and all kinds of Clothing. This visit to his parents preparatory to going stock will go-you might as well get the benefit of it.

The Shoe Business is just now at its height. We are selling great quantities of them. Our plan is to carry only a very few lines of Shoes hereafter, and will drop some of the best makes of men's, women's and children's Shoes from ou stock. You can find real bargains amongst them-it will pay you to see them This will be a big Shoe sale. We want the money out of them. Had rather have the money than the Shoes! See?

We don't think we have ever annoyed our time customers about what they owe us, but this is a time when we mus insist on the money between now and first of January. Please don't delay, but let us have it just as fast as you can.

Yours very truly,

LESSEN Q UU.
